- **Fees**
  - The fees are currently at \$175.00 per team. Keith has asked every community to get with their boards and discuss a price increase, as last year many communities did NOT break even from hosting a tournament. The price increase discussed at the meeting was \$25 which would round out the fee to \$200.00 per team.
- **Rules**
  - Due to lack of lighting on some of the community's fields, the drop dead time rule will be place in affect this year. Once the time has expired, the game is over and the win will be awarded by reverting to the last completed inning.
  - 2 umpires are required for every 12U and up game.
  - Rules are attached for consideration. Please bring any changes to the next meeting for consideration, discussion, and vote.
- **Tournament**
  - This year the rosters for each team in the end of season tournaments will be submitted to the Secretary of the Westside, Jill Startzman. She will compile the rosters, separate them by division, and collectively return them electronically to the director of the tournament/community.
